Have you ever seen a dream walking? Sunday, June 10th, between 3 and 4 o'clock, is the day of the DREAM GIRL Fashion Show at Rancho Del Monte Country Club.

Ah...such beautiful belles who will look as dreamy as the song titles they'll represent...oh! the Viennese waltz sequence!

And then after the Dream Show you can dance, too, at the much-fun Cocktail Dance. There will be a delectable buffet supper. Do plan on joining us.

## NEW POSTMASTER TO BE DEMOCRAT

In an interview with Fred Farr, Monterey County chairman of the Democratic State Central Committee, The SPECTATOR was informed Thursday morning that in all probability one of the three Democratic aspirants for the position of Carmel Postmaster will be recommended by the local committee.

A meeting of the Committee was originally planned for last night, but as a result of a telephone conversation between Mr. Farr and Glenn Anderson, California State Chairman of the State Central Committee, it has been decided to hold the meeting next Wednesday.

Farr and Glenn Anderson, California State Chairman of the State Central Committee, it has been decided to hold the meeting next Wednesday.

Mr. Farr informed Mr. Anderson that three of the four candidates were in Government service, that three were veterans, that three were Democrats, and that undoubtedly all four would pass the required examination. It was brought out that there had been a concerted drive among Carmel residents backing the lone Republican candidate. Mr. Anderson informed Mr. Farr that as there were three qualified Democrats, his committee would not pass a Republican recommendation from the local committee if such were made, and that even if the State Committee should consider such a move, the national Committee would not go along. Mr. Farr pointed out to The SPECTATOR that a Republican State Central Committee would undoubtedly make the same decision were it in a similar position.

## TWO CALIFORNIANS NAMED TO CHRISTIAN SCIENCE BOARD

Mrs. Emma Louise Garrett of San Francisco and Henry Allen Nichols of Los Angeles, Christian Science practitioners, have been named to the Christian Science Board of Lectureship by the Church's Board of Directors.

The announcement was made at the Annual Meeting of The Mother Church in Boston.

Highlighting the meeting was a special message from the Christian Science Board of Directors declaring that complete defense from disaster and destruction is available to all through the clear understanding of God.

## GI TRAINING ABOUT TO END

A final reminder to most World War II veterans on the Monterey Peninsula that their entitlement to education and training under the GI Bill of Rights will expire on July 25 unless they are in training on that date, was issued today by Claude S. Estill, Veterans' Service.

Being "in training" includes normal summer vacation between regular GI Bill school terms, Mr. Estill said. But it does not mean merely applying or registering for a GI Bill course which would start some time after the cut-off date. In other words, he explained, a veteran who was not enrolled in such a course this Spring would have to be enrolled in one this Summer session if he wished to go on studying in the Fall under the GI Bill.

World War II veterans who were discharged after July 25, 1947, have until four years from date of discharge to start or resume training under the same law before their remaining entitlement is forfeited.

Information is available at 559 Pacific Street, Monterey, on both GI Bill and "Cal-Vet" educational assistance for veterans of World War II.

## "POINT OF DEPARTURE" OPENS TONIGHT AT WHARF THEATER

As its first major production of a play about a local scene by a local author, the Wharf Players will present "Point of Departure," by Bruce Ariss, set to open tonight, Friday. Even before its opening, this play has aroused curiosity from San Luis Obispo to San Francisco from persons who have known the Big Sur country and the so-called "sex cult," about which so much publicity was printed several years ago.

## WHAT NEXT AT THE CAROUSEL?

They say you never know what to expect next at The Carousel, popular wining and dining spot, 14 miles up the Carmel Valley. Bert Dienelt, owner, relates his pleasurable surprise in discovering that one of his Filipino waiters leads a five-piece Filipino band.

Last Wednesday night, Carousel

entertainment took a new twist with waiter Sammy Lopez and his boys leaving the tables for the piano and band instruments, giving Carousel patrons a brilliant Filipino concert that brought the crowd to its feet with bravos. Sammy and his boys will be seen often at The Carousel, Dienelt promises.

## Everyone in the family "dates up" our new electric roaster!

Son bids for the electric roaster when he does KP for the gang. Somehow beans, chili, stew, soup, almost everything tastes better cooked in the even, all-round, controlled heat of an electric roaster. Also, the removable, easy-to-wash porcelain enameled cooking well is a cinch for the clean-up squad!

Dad reserves the electric roaster on week ends, cooks the world's best barbecued spareribs, spaghetti, game in season, and other he-man specialties. New-type thicker insulation in modern models has reduced heat loss to an all-time low. An electric roaster plugs into any 115-volt, A.C. outlet... ideal for beach house, cabin, patio.

Mom's dates are baking day, holidays, any day when she needs "an extra stove." Or when, on the contrary, she wants to cook a whole meal at one time in a quick and easy way. Thermostat control maintains exact temperature desired, and if model has automatic clock control the roaster turns itself "on" and "off" at pre-set times, gives homemaker hours of welcome freedom.

Newly-married daughter dates up the electric roaster for social events like club get-togethers, buffet parties, picnics. It's easy to carry, keeps food warm for hours. With P. G. and E. rates lower today than in 1940, an electric roaster is a real joy... costs only 1¢ or 2¢ per meal to operate. There's a model for every family, every budget. See your dealer's selection today!

### NEW EQUITABLE LIFE ASSURANCE OFFICES NOW IN OPERATION

The Equitable Life Assurance Society of the United States has opened new offices in the Casa Munras Shops, with eight well qualified men to serve the Peninsula--Norman Romwall, manager, Edgar Haber, assistant manager, and Reed Pollock and Art Miners among the special agents.

With assets of \$5,700,000,000, Equitable Life Assurance is the third largest insurance company in the world. It has 5,000 employees in this country.

The Monterey office has been allotted a substantial portion of \$10,000,000 for home loans to be used in the area between here and San Francisco. Main business of this organization, however, is life insurance. In May this office did

\$500,000 of business. In home financing and re-financing it stood third in the country for May--especially outstanding since the branch office is not yet two years old.

Soundproof consultation rooms for confidential discussion is the modern keynote of this company which has been in business since 1859. In their off-the-street area, Casa Munras Shops have arranged for adequate parking space for Equitable clients. This company, incidentally, sponsors "This is YOUR F.B.I." every Friday at 8:30 p.m., on KGO.

### 3RD NAVY RELIEF BALL FEATURES UNDERSEA THEME

June 23 has been set as the date for the third annual Navy Relief Ball which will be held at the U.S. Naval School (formerly the Hotel Del Monte).

An "underseas" theme has been selected for the affair which will be known this year as "Neptune's Ball," providing a gay and colorful atmosphere in the huge main ballroom of the school.

Many valuable prizes will be awarded during the evening, including a Buick Roadmaster Riviera sedan as the grand prize. The total value of prizes will exceed several thousand dollars. Tickets for the drawing are \$1.00 each.

One of the Peninsula's outstanding charity balls, the purpose of the affair is to raise funds for the Navy Relief Society, which is the Navy's own private charity supported entirely by private funds, chiefly contributions from service personnel and civilian friends of the Navy. The Navy Relief Society has only one purpose--to assist financially and with other necessary help the personnel of the Navy

and Marine Corps and those truly dependent upon them, and the dependents of deceased personnel.

Captain John S. Tracy, executive officer of the Naval School, is chairman of the ball committee which consists of naval officers and Navy wives. The "underseas" theme will be carried out in the huge main ballroom and in the dining room of the Officers' Club at the Naval School (Bali Room). A decorating committee of Navy wives, headed by Mrs. W. W. Henderson, has been working for several weeks preparing giant sea shells, strange fish, and other papier mache monsters from Neptune's kingdom.

Cigarette and flower girls will wear shimmering gold costumes draped with graceful sea-green stoles of wide-meshed net.

Bill Thompson, widely known radio comedian, will head a superlative entertainment program which

is being arranged by a committee headed by Captain T. C. Phifer. Dance music will be provided in both the main ball room and the Bali Room.

Admission tickets to the ball will be \$1.50 each, and persons holding admission tickets can obtain dinner on the night of the affair in the Bali Room. Advance reservations are necessary.

Tickets can be obtained at stores throughout the Peninsula, at the Naval School Officers' Club, through any officer attached to the Naval School or by a mail request to the Navy Relief Ball Committee, U.S. Naval School, Monterey, enclosing a check to cover the cost of the admission tickets.

AT THE ANNUAL MEETING of the Carmel Music Society in the Sunset School Auditorium next Monday night, June 11. Sylvia Jenkins, young California pianist, will be the featured attraction. The 17-year-old girl, a pupil of Adolph Baller, who has received practically all honors and awards offered to young pianists in California, will play a widely varied program. It includes the Toccata in G major, Bach; "Wanderer" Phantasia, Schubert; Two Rondos on Folk Tunes, Bartok; Polka in F sharp, Polka in F, Smetana; Preludes 16, 23, 14, Chopin; Etude in A minor, Chopin; Nocturne in D flat major, Chopin; Scherzo in B minor, Chopin.

The program is scheduled for 8:30 p.m., the business meeting beginning at 8 o'clock.

### 12 YEAR OLD PIANO PRODIGY TO PRESENT RECITAL IN CARMEL

The Carl Cherry Foundation is inviting the Peninsula's music lovers to attend a piano recital by Leon Panetta, talented young musician, on June 15, Friday, at 8:15 p.m.

About the young man's ability, Hal Garrott, well known Peninsula music critic, had this to say, "He is the most talented child I have ever heard." Joseph Schuster, the great cellist, also has remarked, "I expected to hear another dilettante, but I actually heard a great talent."

Leon, who is 12 years old, and a pupil of David Alberto, is the son of Mr. and Mrs. Carmel Panetta of Carmel Valley.

### S.F. LITTLE SYMPHONY TO APPEAR IN CARMEL JUNE 23, SUNSET

The San Francisco Little Symphony, an unusual group of 24 international musicians, under the leadership of the young Canadian director, Gregory Millar, will give a concert of Handel, Mozart, Bloch,

Milhaud, Bartok, and certain original compositions in a concert to be presented June 23 at the Sunset Auditorium under the management of Tilly Polak. Tickets go on sale after the 10th of the month at all Peninsula music stores.

Comprised entirely of professional musicians from San Francisco, Rochester, New York, Zurich, New Orleans, Vienna, Paris, and other widely separated music centers,

the orchestra is the brain-child of young Director Millar. He theorizes that all young musicians should have a broad knowledge of all types of music, not restricted to the classical field.

"We are in a society here where music is not state-subsidized but subsidized by the whim of the people. Thus we should understand popular trends and know what makes them popular so we can learn how to develop greater interest in classical music."

Mr. Millar himself is a well known concert violinist and singer. He studied with Ernest Bloch, modern composer, and Julio Silva; was conducting student under Serge Koussevitsky at the latter's Music Festival.

## WHO IS IT?

This is one of a series of photographs of residents you should know. All "Who Is It?" personalities are well-known residents of the Monterey Peninsula. For this week's answer turn to page 15.

Miss Dorothy Donahue, John Farr, Dr. Walter Lehmann, Lorell McCann, Mrs. Gunnar Norberg, Leo A. Ross, Col. Philip Schneeberger (USA ret.), Daniel N. Snell, Mrs. George C. Taylor, Fritz Wurzburg, Patrick Coleman.

Announcement was also made of two forthcoming sponsored concerts. Composer-pianist Gerhart Muench of Big Sur will be presented in late August, while the famed Paganini Quartet will be heard here October 2.

### CARMEL FOUNDATION ADVENTURE IN NEIGHBORLINESS

Carmel, a bit of beauty snuggled around Carmel Bay on California's coast, has long been a Mecca not only for artists of all kinds but for those retired from sundry professions who have felt that here they could live comfortably on incomes which they had every reason to believe would serve their needs indefinitely.

But yesterday's dollars are today's pence; and throughout this community is an increasing number of elderly people who are struggling desperately, sometimes vainly, to regain some semblance of the standard of living to which they have been accustomed.

However, their plight has not gone unnoticed by friends and neighbors. Quietly the latter have been thinking it over. Now they have decided to act. A newly formed organization called the Carmel Foundation has adopted as its motto "An Adventure in Neighborliness." A survey will be made of the number in the community who can be aided by the Foundation. Then a program will be worked out for increasing the comfort and happiness of our elderly townspeople, even to filling such needs as nursing homes, rest homes, and similar places for care.

Carmel's beauty of color and unique atmosphere will now include, more than ever, beauty of friendship and love.

## THE EQUITABLE SOCIETY'S ASSURED HOME OWNERSHIP PLAN ANSWERS "Yes!" TO EVERY QUESTION IN 10-POINT TEST

1	Does your present mortgage provide for complete amortization?		Every AHO Plan provides for monthly reductions of the principal until you own your home free and clear.
2	Do your present mortgage payments fit your budget?		Your AHO Plan is "tailored" to your income. The period of the loan and the amount of each monthly installment can be adjusted so that they will not be a burden.
3	Is your mortgage interest reduced every month? (Many plans provide for interest reductions quarterly—or semi-annually.)		In AHO Plans interest goes down slightly each and every month. This means that larger and larger portions of the monthly installment are being devoted to reducing the principal amount.
4	Can you pay off your present mortgage faster than the contract requires if you wish to?		The AHO Plan grants liberal pre-payment privileges. You can take full advantage of salary increases, inheritances, etc. Or if you wish to sell the property, you can always pay off the mortgage entirely.
5	Does your present mortgage give you the benefit of today's low interest rates?		Interest on an AHO Mortgage is not 6% ... not 5% ... not even 4½%. It's only 4%. With this low interest rate, a greater proportion of each monthly installment is applied to debt reduction.
6	Does your present plan provide for life insurance protection for you? (In some plans, only the lender is protected.)		In an AHO Plan, the life insurance feature is not designed solely to safeguard the lender. It protects you and your family too.
7	Under your present mortgage plan, if you should die, would your widow own the home free and clear?		In case of death, an AHO Mortgage is automatically cancelled. Danger of a forced sale is thus eliminated.
8	In the event of sickness or hard times, would your present mortgage plan provide a fund to carry it—self for a reasonable period of time?		Under the AHO Plan, from the second year onward, the constantly increasing reserve provides a fund which may be used to meet monthly payments when financial emergencies threaten the home.
9	Does your present plan provide extra cash for your family if you should die?		In addition to guaranteeing a debt-free home for your family, your widow also receives every cent previously paid on the principal under the AHO Plan.
10	Does your present plan provide for the building up of a reserve fund which can be used to shorten the term of the mortgage?		The cash fund which builds up in an AHO Plan may be used to wipe out the mortgage. For instance, a 20-year mortgage can thus be shortened to less than 15 years.

ANSWER TO THIS WEEK'S

**WHO IS IT?**

"SO HELP ME, HANNAH, it's a new setup!" Our this week's "Who Is It," the Leslie J. Hannahs, senior and junior, combine the practical and the beautiful in an interesting way in Wilder & Jones' new store on San Carlos. Mr. Hannah, senior, as appliance manager for Wilder & Jones, can tell you everything about the newest gadgets which make work in the house easy, while Mr. Hannah, junior, or Jay, can make even that housework beautiful with his amazing room arrangements of radios, television, and recorders.

Both father and son are artists—Mr. Hannah, Sr., who recently had a one-man desert show at Maxwell Galleries in San Francisco, having painted for 20 years, and Jay having majored in art at Stanford and studied at the California School of Fine Art. To make even more adequate his ability to design interesting and unusual custom-built installations, he has not only studied music with Ada Clement at the San Francisco Conservatory, but he is an expert radio man as well. The result of this experience and training is that he can dream up combinations of tone effects with interior decorations that produce magical effects.

Both Hannahs came to Carmel in order to paint. Mr. Hannah after 30 years of high pressure jobs in advertising, Jay after extensive radar work during World War II.

Always one of those problem children who couldn't write or spell, Mr. Hannah soon began making ten times as much as his harassed English teachers by writing advertising copy for some of the largest accounts in the country. Before coming to California for J. Walter Thompson Co., to head up the Ford Motor Company account in 11 western states, he was account executive for Procter & Gamble's with Blackman Co. in New York, and manager of the western offices of Campbell-Ewald Co. Later he became manager of Biow Co. in San Francisco, which handled such accounts as those for Philip Morris, Eversharp, Schenley, Langendorf, Roma Wine, and Western Pacific. An English major at Beloit College in Wisconsin certainly helped some, anyway!

To those who took their radio troubles to Gledhills, Jay Hannah is an old friend, for it was he who had his shop at the rear of the store, after having first worked with Jim Meagher, owner of one of Monterey's largest radio service businesses.

And so, both men having come to Carmel to paint, father and son are now combining their various talents in a way that, "so help me Hannah," you will want to investigate when you want that radio or television built in in the most artistic fashion possible, or need the latest thing in your "keeping the wife happy" department.

ONE OF THE SEVERAL RARE BREEDS to be judged at the Del Monte Kennel Club Dog Show, Sunday, is the Keeshound (not to be confused in any way with Cheeshound) like Warburg of Wistonia, English and American champion (above) who took Best in Show at the 1950 Salinas meet.

"This year's Del Monte Kennel Club will be one of the largest we have ever had, in fact, the entry is bigger than last year's show and bigger than this year's Salinas show." According to Derek Rayne, the Club's secretary, Del Monte will be the only show held this year in California that has not had a drop in entries.

Mr. Rayne attributes this to the fact that Del Monte is offering a wonderful trophy list. More than 100 silver trophies will be awarded to the almost 600 dogs competing THIS SUNDAY, June 10. Ten famous judges will be on hand, four of whom have judged literally all over the world. They are Mr. Anton Korbel of Belmont, California, Mr. Arthur Zane of Honolulu, Mr. Geo. Thomas of South Hamilton, Massachusetts, and Mr. Forrest Hall of Dallas, Texas. These men have officiated in shows in South America, Mexico, Canada, Hawaii, Africa, Australia, and throughout Europe, as well as at the largest shows in this country, such as the famous Westminster show in New York's Madison Square.

There will be three judges for the ever popular Obedience Tests, including Mr. Wm. Johns, who is the trainer for the Guide Dogs for the Blind School in San Rafael. In Obedience dogs are judged on their ability to perform certain exercises on command, such as jumping, retrieving, etc. This year's Del Monte show at Pebble Beach will have an exceptionally large entry from out of state. There will be dogs entered from Washington, Oregon, and Arizona, as well as the usual large entries from San Francisco and Los Angeles.

There will be a great number of local dogs competing with all sections of the Monterey County represented, as there are prizes offered all the way through for Local Dogs including Best Local in show, competition among Peninsula pooches being keen this year.

Judging will commence at 9 a.m., continuing through to 7 p.m. There are more than 100 different breeds of pure-bred dogs recognized by the

American Kennel Club, and spectators at Sunday's show will have a chance to see more dogs for a dollar than anywhere else this year!

Schedules of the hours of judging of the different Breeds may be obtained from secretary Derek Rayne by phoning 7-3029.

## 'Sleep Before Evening' Gains Acclaim At Wharf Theater

Again last weekend the Wharf Players achieved a production--not just of good amateur proportions but of real professional calibre.

"To Sleep Before Evening," by Wallace Bacon, a drama of Lucrezia Borgia heretofore unstaged, was played in the little theater on Fisherman's Wharf, May 30 through June 3, to five appreciative and discriminating audiences. This achievement, following close on the heels of the superbly interpreted "Mad Woman of Chaillot," left no doubt in the minds of spectators and critics that the Pacific Stock Company is a boon to the dramatic life of the Peninsula. We cannot be too warm in our praise of both of these productions.

"To Sleep Before Evening" is a drama so tense with tragedy that with slight misdirection it could become overdone melodrama; or its contrasting elements of humor, depicting the licentiousness and unrestraint of papal court circles during the late fifteenth century, could easily slacken into simple buffoonery. But neither misstep was made. Under Robert Carson's able direction an excellent play was produced with perspicacity and acted with talent.

The cast was small, consisting of only ten parts. The conflict-torn Lucrezia, a most demanding characterization, was remarkably well handled by young Donna Powers. The ruthless and ambitious brother, Cesare, was played with distinction and realism by Terry Eby, who was also responsible for designing the very beautiful and authentic costumes.

The inimitable Elizabeth Stevens, so outstanding as the "mad woman of Chaillot," was really wonderful in the part of the aged, superstition-wise Cassandra. Second to none in the cast was Tom Scott as Jiacopo, the wistful, lovable, loving hunchback lad.

Guilia was played by Inez Lucas; Isabella by Dorothy Osborne; Pietro by William Hawley; Figaro by Vincent de Baum; Fons (the only person in Lucrezia's muddled experience, other than Jiacopo, to bring out the latent good in her), by Robert Konrad; and the foppish envoy from France by Tom Morley--all convincing interpretations.

The suspense throughout the drama was terrific.

Responsible for the fine staging effects was Thomas Brock; the costumes were executed by Inez Lucas; and Esther Schenauer was in charge of properties.

A SERVICE FOR DISCRIMINATING BUYERS

The HARRIET DUNCAN fashion show to be given at the Rancho Del Monte, Sunday, June 10, promises to be a *Fantasy of Fashion* with a fascinating preview of Fall clothes. A *Jewel Box of Beauty* will be the foil for the beautiful models to display the separates for which HARRIET DUNCAN is well known.

In addition to these, *California Perennials*, the clothes so suited to mild California weather, will be shown. I got a glimpse of one--and the red velvet--so expertly tailored for misty summer wear can later be glitteringly fixed up for dressier Fall occasions.

Bathing suits from Putnam and Raggett will also be shown, and the show will be concluded with *cocktail dancing*, a most pleasant diversion for a Sunday afternoon, especially in such delightful surroundings as the Rancho Del Monte Club.

THE FINEST IN STAINLESS STEEL PLACE SETTINGS from a viewpoint of design and wear is what I saw in the BISHOP-KNEEDLER SHOP in the new Patterson Building. This particular setting is imported from Italy. The name is *Milano*. Because of the extensive labor available there this steel is given hand operation 200 times. This provides a finish that would be hard to duplicate for the same price. In time, this silver will get a soft butter finish as does Sterling. The design is tops and appropriate for the American way of life, since it was designed by a fine American craftsman.

A five piece place setting, using dessert pieces, can be purchased for only \$5.85. A full six piece place setting, using dinner knife and fork sizes and including a butter spreader, is available for \$10.25. All kinds of wonderful combinations can be obtained by switching into whatever sizes one prefers. This is a wonderful idea for young moderns who do not wish to go into Sterling just yet, and for persons who already have Sterling but desire something equally beautiful but less expensive requiring less care. BISHOP-KNEEDLER is one of the attractive new shops located in the new Patterson Building.

NEW, NEW, NEW--White and butter yellow washable capeskin coats, jackets, hats, belts, and bags, by Jim Pack--another scoop for THE ROSE BROWN SHOP, recently shown in a fashion show in the Pine Room of the Pine Inn.

These coats are practical and beautiful. They can be worn on the street and also for active sports. They are washable, rain repellent and beautifully styled--jacket length as well as full length. I was taken by the white full length with deep pockets, cord belt, raglan sleeves, and small Peter Pan collar. This wonderful coat worn with matching bag and little jockey cap is truly an out-of-this-world ensemble for the person who likes comfort and good taste. Jim Pack has also designed, for men, a capeskin vest with plaid lining, and coats, which THE ROSE BROWN SHOP in the Pine Inn lobby would be very glad to show--long with the other items.
